## WHAT YOU WILL DO

-  Research on substantive principles of WTO, including subsidies, tariffs and non-tariff barriers.
-  Research on non-trade issues such as gender, sustainability, small and medium enterprises, etc.
-  Analysis of provisions of the recent and new-age major Free Trade Agreements.
-  Research on rules and procedures of WTO dispute settlement.
-  Research on notification requirements under the various agreements of the WTO.

## HOW DOES IT HELP YOU?

The students interning with CTIL and PMI will be exposed to diverse facets of international economic law and trade policy-making and research on the WTO database.

**Duration:** 3 months (extendable)  
**Hours per week:** 20 hours

## THE MOU

Permanent Mission of India to the WTO (PMI), Centre for Trade and Investment Law, New Delhi (CTIL) and Centre for Trade and Economic Integration (CTEI) signed an MOU in 2021 to collaborate and cooperate in international trade and investment law and policy for academic, research, training, and capacity-building activities.

## COLLABORATIONS

Collaboration opportunities through joint research, conferences, workshops, TradeLab Law Clinics, Internship Programme, faculty and research exchange opportunities.

## OUR MISSION

The MOU seeks to provide practical experience on contemporary issues in international trade law and policy to students. The Internship is aimed at developing present students into global trade and investment practitioners of the future.
